

F-110

Little box; BIG BITE

The F-110 is the perfect desktop companion for the busy small or home office.

Key Specifications:

- ✧ 33.6 Kbps fax modem
- ✧ 8 page per minute printing
- ✧ Standard PC printing & scanning
- ✧ Document management software
- ✧ 100 number autodialer
- ✧ 150 sheet paper capacity
- ✧ 30 sheet automatic document feeder

Features & Benefits

33.6 Kbps fax performance

- Transmit and receive faxes at the highest speed regulated by the government

Intuitive control panel

- Increase your efficiency with a simple learning curve

8 ppm print engine

- Print faster than with comparably priced machines

Simple, no-mess toner change system

- Keep toner in the machine, not on your clothes, with the *Easy ChangeSM* toner system

30 sheet automatic document feeder

- Large enough for moderate size transmissions

Standard printing and scanning

- Outstanding functionality works with Windows-based operating systems (95, 98, 200, Me, XP, NT 4.0)

Manage and load fax numbers directly from your PC

- Eliminate keying one-touch and speed-dial numbers directly in the machine.

Utilize multiple paper sizes

- Prints on most formats utilized in today's office including letter, legal, envelopes, etc.

Range of productivity-enhancing fax features

- Fax forwarding, polling and "scan once, send to many" broadcasting technology

EnergyStar compliant

- Responsible energy use equals longer machine life and lower electricity bills

Document management software

- Scan, edit and file multiple images and documents
